Having played in many underground and major events around the world, he has developed a³ understanding of the flow and energies of each dance floor and is flexible in terms of "styles". Whether you're guiding the dance floor through the night or the sea, the result is always a journey full of depth and an energy that allows the crowd to feel a sense³ freedom through trance. Their sets are a direct form of communication³ through music. In addition, Boom Shankar is part of the S.U.N. The crew³ the festival in Hungary, the Alice Im Wummerland Parts series in Germany and is working on a new music project together with Soul Kontakt of Malta titled "LightSource". You can also launch sesiÃ³n on Hungama Apps (Music and pelÃ©s) with your Hungama web credentials and redeem coins to download MP3 / MP4 tracks.
