Accessibility Features Identified in Advance-Field Testing

- The PNP Process **will not** be operational for field test.
- PARCC has developed the **PARCC Field Test PARCC Accessibility Features and Accommodation Documentation Form**
 - Documents the accessibility features and accommodations that must be identified in advance.
 - Can be used to assist in registering students for field test via PearsonAccess.

Let's Review the form!

Next Steps

- AAF OWG and core writing team to finalize document and accompanying tools
- Stakeholder out reach and communications to key audiences
- Released to the public July 25, 2013

17

PARCC Accessibility Features and Accommodations Manual

For Consideration by PARCC Governing Board

This page has been archived. PARCC and ELLs Frequently Asked Questions (updated October 2017) Background: This frequently asked questions document was created in response to questions received from test coordinators and other NJ district personnel involved with PARCC testing. Q: What native language options are available for the PARCC assessment? A: PARCC assessment is currently translated in one language (Spanish) for one content area (mathematics) in grades 3 through 8 and high school (i.e., Algebra 1, Geometry, and Algebra 2). In addition, as of the 2015-2016 school year, PARCC provides written general test administration directions in the following languages: Spanish Arabic Navajo Chinese Mandarin Vietnamese Portuguese Polish Haitian Creole Urdu Russian Q: With PARCC, will any newcomers to high school (designated
