Salaf scholars do not use Ta'wil Tafsi in verses mutasyabihat understanding, but only run tafwid and taslim methods like their applications. Over time it is theologians only support their opinions, without seeing concrete data as the initial generation is practiced on Ta'Wil Tahafili Method. This Ta'wil Tafafili method is not as dominant as the Tafwid and Taslim method which is in the app does not divide the meaning. Therefore, Salaf scholars besides using Tafwids and taslim methods also use the Tafa Wil Tafers Methode. Doi: Keywords: Murthah mashalh, law resources, saf and khalaf of complex life addressed by humans. Tanpa is not in Sadari generated a Lots of problems; Bene personal or general is common, both in family life for the state of life. Some of these problems have existed in the Koran and Hadith, but not rarely some others are not sure or explicit. Therefore, in terms of Islamic resources that are the legal references are not based only on the Koran and only the Hadith, but there are other sources that were partly agreed by the Jumhur (MayOrity) scholars and others are not tolerated, in ARTIAN agreed Only up some scholars. The source of the Agenced Islamic law from the Mayor of Ulama has four, ie the Koran, Hadith, Ijmaa' and Qiyas. Although it is not agreed and iStihsan Istia'ab, syara, qablana man, saddu dzaria and mashalih mursalah, qaul or fia lu Al Shabi and A'ah. In this article, the writer will not discuss all the resources of the law, but focuses exclusively on the discussion on one of the sources, namely Mashalih Misterlah. About what is Mashalih Mursalah, as is the position of a law, every scholar that claims becomes one of the sources of law and any scholars who do not and their respective Hujjah support and how Salaf scholars and Khalaf They are linked to Murthah. This is what is about to be in this document, you hope worth it.
